INDIA ELECTRONICS EXPO 2026 - INDELXPO

Shape the Future of Global Electronics

India's Electronics Industry: Ready for the World

India is no longer just a rising star—it's a global force in electronics manufacturing and innovation. With a stable polity, booming economy, and a tech-savvy youth population, India is fast becoming the preferred destination for global sourcing, investment, and collaboration. Backed by visionary government initiatives like PLI schemes, Digital India and the National Policy on Electronics, the sector is poised to grow multifold—and INDELXPO 2026 is your front-row seat to this transformation.

INDELXPO 2026: India's Premier Export-Focused Electronics Showcase

Organized by ESC under the aegis of the Ministry of Commerce & Industry, INDELXPO is India's only dedicated platform for electronics exports, connecting exhibitors with verified buyers from India & 70+ countries. This isn't just an expo—it's a business accelerator, a launchpad for innovation, and a global gateway for the participants.
