

| List of Exhibitors-India Subcontracting Expo | | | 09-12 March 2021 |
|--|---|--|--|
| Sl. No. | Name of the Organisation | Company Profile | Products |
| 1 | INSEL RECTIFIERS INDIA PVT LTD | We at IRI are manufacturers of Power Semiconductor devices like Diodes, Thyristors, Modules, Bridge Rectifiers, Rotating Assemblies, IGBT, Selenium Rectifiers, Selenium Surge Suppressors since 1979. Our products are extensively used across the globe by companies like Leroy Somer, Schneider, Siemens, Cuttler Hammer, Railways, CKE, etc. | Selenium Rectifier, Thyristors, Bridge Rectifier, Modules, Power Diode (Stud / Flat Type), Power Diode (Capsule Type), Isolating Transformer, DCR (Phase Control Thyristors), Field Failure Relay, Selenium Surge Klipper, RRA Assembly |
| 2 | SRINATHJI ISPAT LTD. | We are a leading manufacturer of Steel/Cast Iron/ Ductile Iron/ High Chrome and Ni hard castings from 3 kgs to 9000 kgs single piece, in size upto 5000 mm. We have rich experience of 31 years and located 45 mins away from Delhi International Airport. | Steel Industry: Work Roll Chocks, Backup Roll Chocks, Sleeve/Segments for Coilers and re-coilers, Guides Passes, Bottom End Plates, Rest Bars, Combined Bearing Housings, Supports Rollers, Mother Moulds, Tri-unions Blocks, Hinge Plate, Lybrinth Ring, Link Assy Cement Industry: Mill Head, Wear Resistant Liner, Girth Gears, Jaw Plates, Rollers, Bush Bearings, Flywheels, End Rings, Sugar Industry, Crown Pinions, Trash Plates, Mill Stands, Bearing Housings, Plumber Blocks, Sprockets, Hubs, Side Cap, Top Cap, Turn Beams, Planetary Gear Box castings, Thermal Power Industry, Turbine Casing, Dome Casing, Runner Casing, Outer Casing, End Covers, Liners, Crusher Hammers, Granulators Rings Hydro Power Industry: Turbine Casing, Dome Casing, Runner Casing, Outer Casing, End Covers, Liners, Crusher Hammers, Granulators Rings, Other Emngineering, Idler wheels for Earth Moving equipments, Eccentric Gears, Cylinders, Bolsters Plates, Helical Gears, Connecting Rods, Worm Housings, Pump casings, Quills |
| 3 | PRIDE INDIA ENGINEERING SOLUTIONS PRIVATE LIMITED | M/s Pride India is a Engineering Solution provider cum integrator ,established on 9th Nov 2009 , ONE SHOP SOLUTION -Design, manufacturing and proving of Stamping Dies , Progressive Dies, Transfer Dies & Special tooling's (Hydro-forming tools), SPM's, Robotic lines, Jigs/Fixtures ,Gauges, Automation, Industrial Robotic automation, Press automation, Proto development. | Design, manufacturing and proving of Stamping Dies , Progressive Dies, Transfer Dies & Special tooling's (Hydro-forming tools), SPM's, Robotic lines, Jigs/Fixtures ,Gauges, Automation, Industrial Robotic automation, Press automation, Proto development. |
| 4 | VMC STEEL PVT. LTD. | An ISO 9001: 2015 and IATF 16949:2016 certified company involved in manufacturing of stainless steel tubes, pipes, tubular components and customised Fabricated items. Pipes and tubes for architectural, hardware, automobile, trains and metro coaches and food processing industry. | Stainless Steel Pipe, Stainless Steel Oval Tubes, SS Slot Tubes, Exhaust Tubes, Stainless Steel Tubes and many more |
| 5 | MARUT TECHNO TOOLS PVT. LTD. | We are a leading manufacturer and supplier of all the Die components to OEMs and Tier-1 companies in Automotive and Sheet Metal Industry. We specializes in Non-standard customized components apart from standard die components. We also supply self-lubricating bushes, bearings, wear plates and DADCO Gas springs. Our customers are Maruti Suzuki, Ford, Toyota, Tata, Magna, Cosma, Bosch, Whirlpool etc. | Coil Springs, Die Buttons, Gas Spring, Punch, Retainers, Stipper |

| | | | |
|----|--|--|---|
| 6 | VISHWAKARMA ENGINEERING | MANUFACTURER OF CLEAN ROOM EQUIPMENT | Isolators, Garment sanitization solutions, Fume hoods & Bio-safety cabinets, Laminar air flows, Passbox & dedusting tunnels, Mist Booths & showers |
| 7 | GDPA FASTNERS | GDPA Fasteners, a 40 year old fastener manufacturing group with a work force of 500 people in India supplying fasteners globally like Europe, UK, USA, Australia & Saudi Arabia. Business sectors: MINING, WIND ENERGY, CONSTRUCTION, AUTOMOTIVE, OIL AND GAS OE & GENERAL FASTENERS. We are approved as per ISO 9001:2015 with Factory Production Protocol certification EN 15048 & CE and EN 14399 | Bolts, Nuts, Washers, Threaded Rods, Foundation Bolts & Anchor Bolts, Shear Studs with Ceramic Ferrules, Agricultural Fasteners |
| 8 | ALLROUND (INDIA) VEGETABLE PROCESSING MACHINES PVT. LTD. | PROCESSING MACHINES PVT LTD Allround is a trusted name in manufacturing and supplying of the machinery and equipment for post-harvest agri-horticulture with special reference to highly consumed and processed commodities like potato, onion and carrot. The range of equipment caters to the needs of pack houses, warehouses, cold storages and processing units | Polishing, Vegetable Dryer Machine, Inspection, Vegetable Cleaner Machine, Handling, Box Filling, Grading Machines, Cooling, Palletizer Machine, Hoppers Machine, Tipping Box, Bagging |
| 9 | VISHAL TOOLS & FORGINGS PVT. LTD. | Vishal Tools is one of the leading manufacturers-exporters of Wrenches/Spanners conforms to DIN/ASME, exporting to USA, Mexico, Canada, Europe, South America etc., for more than 3 decades. Company is having ultra modern plant fully equipped with state of the art technology & all in-house facilities. | Spanners & Wrenches, Pliers & Pincers & Wrenches, Vices & Clamps, Automotive Tools, Striking Tools, Wood Working Tools, Gardening Tools, Miscellaneous Tools, Tool Aprons |
| 10 | GURU NANAK AUTO ENTER. LTD | Guru Nanak Auto Enterprises is 75 years old company who is into manufacturing of forged & machined components like Rear Axle Shafts, Input /Output Shafts, Torsion Bars, Companion/Coupling Flange, Yoke shafts, Intermediate shafts, King/Pivot pins and other automotive companies around the globe. | Rear Axle Shafts, Torsion Bars, Brake S Cam Shafts, Hollow Spindles, Drive Shafts, Yoke Shafts, Half Shafts, Planet Carrier, WB Spindles, Clutch Shafts, Output Shafts, King Pins, Track Bars |
| 11 | COSMOS TECHNOCAST PVT. LTD. | COSMOS is a development partner and producer of high-quality precision castings in different types of steel, produced according to the lost wax process. In addition to being a supplier, we are also the preferred development partner for smaller to bigger steel components to various well-known customers. Cosmos is capable to manufacture investment casting from few grams to 70kg single piece. | Steel and Alloy Steel Investment castings for various Industries like Pumps and Valves for Chemical, Food process pharmaceutical Industries , Automotive Industries, Textile Industries and General Engineering |
| 12 | BHARAT BALANCING WEIGHTSS & CO, | Leading manufacturer of Wheel Balance Weights in India Run by professionals who have more than two decades of experience in auto industry Our platform caters both OEM and aftermarket customers across globe and we remain the only manufacture who provides complete wheel weight program in four different material: Lead, Zinc, Steel and Tin | Wheel Balancing Weights, Car Assessories, Pressed Parts, Die Castings, Cold Forgings, Sub-Assemblies, Lead Ingots, Machining |
| 13 | HP VALVES & FITTINGS INDIA PVT. LTD. | HP VALVES & FITTINGS INDIA PVT. LTD., was established in the year of 2000. We are IMS Certified Company (ISO 9001:2015, ISO 14001:2015, ISO 45001:2018) for the scope of Design, Manufacture and Supply of Instrumentation Valves & Manifolds, Fittings and Sealant Injection Fittings | Valves, Fittings, Valve Grease Injection Fittings, Erection Hardware, Tubes & Pipes, Clamps, Air Headers, Condensate Pots, Sampling Pots, Thermowells, Syphon, Air Filter Regulators, Hook-Up Items |

| | | | |
|----|--|---|---|
| 14 | LK AUTOMOTIVE PVT LTD | SHEET METAL AND PIPE ASSEMBLIES, PIPE LASER CUTTING AND METAL LASER CUTTING, PIPE BENDING, FABRICATION, ETC | Automotive fine blankings & pipe assemblies |
| 15 | RUSHABH BRASS PRODUCTS | We are a group of companies engaged into manufacturing and exporting Brass , copper and Bronze customized components and parts. Wide array of turned , forged , forged machine , cast metal and fastened components applies to Electrical & Electronics , Automobiles, Plastic Moulding , Construction , Industrial and Engineering Applications based at Jamnagar, India. | Brass Forged Components, Brass Fittings, Brass Casting Components, Brass Slip Rings, Brass Bathroom Accessories, Brass Neutral Bars, Brass Nut-Washers, Brass Bushing for transformer, Brass Terminals, Brass Pressure Components, Brass Inserts, Brass Plug & Socket, Brass Spacers, Brass Pipe fittings, Brass Turned Components, CNC Machined Components, Brass Lead Free Components, Fasteners, Sheet Metal Components, Brass HVAC Components, Brass Sensor Components |
| 16 | INSPROS ENGINEERS PVT. LTD. | INSPROS ENGINEERS PVT.LTD., an Engineering Company of 35 years standing, manufactures and exports equipment, sub-assemblies and components for use in Electrical power machinery and Railway transportation vehicles. The Company has strong presence abroad by virtue of its almost 20-year long association with leading manufacturing MNC companies in USA & Europe. | Products for Switchgear: Solenoids, Shock absorber, Operating Rods, Series Trip/ Shunt Trip Device Products for H.V. Capacitor: Weldable Bushings, Lid Assemblies, Cases Products for Power & Instrument Transformers: Coils for Instrument Transformers, Epoxy Moulded Terminal Boards for Transformers, Test Tap assembly for EHV Bushing Products For Railway Traction: Traction Controlgear, Epoxy encapsulated coils, Eddy current clutch coils, FRP products Other Products: Bushings for Motors, Brake coils, Wound coils |
| 17 | ROYAL TECH ENGINEERS | At Comfort Castor, we imagined a similar product proposition. Aiming to cast incredible and dependable technology on castor wheels, we began a memorable journey to put our wheels in motion whilst leaving an indelible mark in the highly competitive and ever-growing castor wheels segment. We undertake innovative manufacturing of a plethora of castor wheels such as heavy duty castor, furniture castor | Castor Wheels |
| 18 | SENIOR METALS PVT. LTD | Senior Metals Pvt. Ltd established in 1998 is a US\$ 25 million turnover company . Manufa Precision Components : CNC Machined Turned Forged Tubular Sheet Metal Fasteners (Brass Bronze Copper) Welding Consumables, Arc Welding Accessories & Welding Machine Parts ,TIG MIG Robotic MIG spares Copper Alloys Wires;EDM Wires (Japan Technology) Copper Alloys :Rods Profiles Tubes Ingots | Welding Consumables, Brazing Consumables, Aluminium Metallizing Wires, EDM Wires, Wires, Rods, Tubes & Ingots, Welding Accessories, Electrode Holders, Ground Clamps, Coupling Devices / Connectors, Supporting Products & Hose, Fittings, Welding Spares, Components |
| 19 | DANISH BUSINESS SERVICES PRIVATE LIMITED | We are an Engineering Services Company offering services under following categories - Engineering Services: Product Development, Mechanical Design, ECM, Cost Optimization, Tech Documentation, Supplier Quality, Sourcing and SCM, CMM - Software solutions: Products to address Asset Performance Management, APQP/PPAP Portal, Supplier Portal - Consulting in SAP, QAD, MS-AX/Dynamics, Sales Force products | Engineering Design & Development, Manufacturing Engineering, Sourcing & Procurement, Logistics, Quality, Finance & Accounting, Information Technology and Software development |

| | | | |
|----|---------------------------------------|---|--|
| 20 | CHIRAG SWITCHGEAR | We are Manufacturer, Exporter and Contract Manufacturer into Sheet Metal Components, Dies, All Type of Plastic Mould. We are into Industry Since last 30 year in to this Industry under Company name 'CHIRAG DIES AND TOOL'. Over the past year we have achieved excellent recognition and expertise in dies, mould and sheet metal components. | CNC laser cutting, sheet metal components, dies & moulds and Precision engineering Components |
| 21 | VEER-O-METALS PVT LTD | Veer O Metals was established in 1965 and is based in Bangalore, India. We are manufacturers and exporters of: Sheet metal Stamping Parts, Precision Sheet Metal Fabrication Parts, Machined Components, Metal 3D- Printing parts and Mechanical Assemblies. Our Products include : Stamping Components, Metal Additive Manufacturing (3D Printing), Precision Sheet Metal fabrication parts, IP Enclosures, | Stamped Parts, Precision Sheet Metal Components, Machined Components and Assemblies |
| 22 | AKTIS ENGINEERING SOLUTIONS PVT. LTD. | Specialization: Precision Machining, Injection Molding and Tooling, Reverse Engineering and Rapid Prototyping, Automated Fixture fabrication for automotive, heavy engineering, medical, high-tech, irrigation and domestic sectors. We undertake contract manufacturing as well. Our quality and timeline are at par with International suppliers and our costs are very competitive. | Precision Machining, Injection Molding and Tooling, Reverse Engineering and Rapid Prototyping, Automated Fixture fabrication for automotive, heavy engineering, medical, high-tech, irrigation and domestic sectors. We undertake contract manufacturing as well. Our quality and timeline are at par with International suppliers and our costs are very competitive. |
| 23 | ACME ENGINEERING INDUSTRIES | WE HAVE BEEN THE MANUFACTURER AND EXPORTER OF MECHANICAL SEAL SINCE 1985. CURRENTLY WE ARE SERVING MORE THAN 12 COUNTRIES INCLUDING USA, GERMANY, UK ETC. WE MANUFACTURE AND SUPPLY ALL KINDS OF COMPONENT SEALS AND CARTRIDGE SEALS WHICH ARE USED IN DIFFERENT INDUSTRIES LIKE PHARMA, FOOD AND BEVERAGE, CHEMICAL ETC. TWO OF OUR MANUFACTURING FACILITIES ARE SPREAD OVER 15000 SQ FEET. WE HAVE MORE THAN 15 | Pumps, Mechanical Seals |
| 24 | PROGRESSIVE INDUSTRIES | Progressive Industries is located in MEPZ-Special Economic Zone, Chennai, India. Engaged in manufacture of precision machined aluminum components such as RF enclosures, covers, heat sinks, brackets, test fixtures, automation fixtures, etc, catering to telecom / automation / manufacturing industry with well-established facility equipped with state of art of CNC Machines, special purpose machines. | Extrusion based products, Standard Sections, Sheet Metal Products, Forgings and Castings |
| 25 | COPPEX INTERNATIONAL | We are established leading Manufacturer and Exporter and OEM Supplier of Brass Components as per customers drawing and samples/specification for various industries applications. We Deal Brass components in all types of Electrical and Electronics components as per the customer's requirement. Products at a glance: Brass Electrical Wiring Accessories, Transformer Accessories, Utility Accessories and etc.. | Brass Cable Glands & Accessories, Brass Electric Wiring Accessories, Brass Plumbing Fitting, Copper Aluminium & Compression Lugs, Grounding Accessories, Transformer Accessories, Lamp Holding Accessories, Utility Accessories |

| | | | |
|----|---------------------------------|--|--|
| 26 | INFINITY CAST | Manufacturer Of Precision Machined Investment casting. | Automobile, Engineering Parts, Gas Turbine, Machine Parts, Non Ferrous, Oil Field Equipment, Orthopedic Implants, Power Plants, Pump & Impellers, Railway Components, Textile Machines, Valves |
| 27 | BHARADIA ENGINEERING INDUSTRIES | Bharadia Engineering Industries is a family run business since 1965 , today is a reputed name in cost effective solution for quality BRASS BEARING CAGES as well as CUSTOM CNC MACHINED PARTS. Whether it is a simple or complex component, short run or high volume production, you can rely upon us as your complete sourcing partner from concept through order fulfillment. | BALL BEARING CAGES: Deep Groove Ball Bearings, Angular Contact, Thrust Ball Bearings ROLLER BEARING CAGES: Single Row, Double Row, Thrust Bearings SPHERICAL ROLLER CAGES: Radial Bearings, Thrust Bearings |
| 28 | AQUASCAPE ENGINEERS PVT. LTD. | -Aquascape Engineers Pvt Ltd is specialized for Aerospace CNC machining, particularly in high precision components. - Aquascape cover all kinds of services, from design through production and assembly of your components. -We have world class machineries like 2 Axis to 5 Axis from Mazak, DMG Mori & CMM from Zeiss. -NX CAD/CAM software for Design & Manufacturing. | CNC PRECISION TURNING CUM MILLING, CNC 3+1 AXIS MILLING, CNC 5 AXIS MILLING, CNC TURNING CENTRE |
| 29 | SSS SIMULATION DESIGN SERVICES | Engineering services company | Engineering services |
| 30 | TANGENT HI TECH ENGINEERING | Tangent Hi Tech Engineering is a ISO 9001:2015 Certified company engaged in Manufacturing of Auto components, Tooling components, and Non automotive components such as Hydraulic components, storage system components, Health Care Components (artificial Knee) Construction components (LIKE Rebar Couplers), load cell & food industry components | GLAND, FRONT SUSPENSION REAR BRACKET, END CLEVIS, END CAP For cylinder, COUNTER HOLDER, COCONUT Piercing Pin, ARTIFICIAL KNEE, Artificial Knee for TTK, Aluminum Part, CLEVIS PIN, LOAD CELL COMPONENT, WC GLAND/TIBIAL PLATFORM TITANIUM, Threaded Die plate for Filter, STORAGE SYSTEM PARTS, STORAGE SYSTEM PARTS, STORAGE SYSTEM PARTS STEPPED WHEEL FOR STORAGE SYSTEM, SPROCKET HUB, SPOOL |
| 31 | JAKAP METIND PVT LTD | Jakap Metind is a supplier of turned and milled precision machined components. We machine parts in brass, steel, stainless steel, aluminium, etc. We have an in-house Brass Extrusion Mill. We supply parts JIT by warehousing close to our customer plants. | Assemblies, Brass Components, Brass Nuts, Brass Plugs, Brass Reducers, Broached components, Cable Glands, Distributor bodies, Hydraulic Fitting, Nickel Plated Components, Quick connect Couplings, Refrigeration fittings, Stainless Steel Components, Components for Oil and gas industry. |
| 32 | TRANSCON INDUSTRIES | TRANSCON INDUSTRIES MANUFACTURERS OF POWER TRANSFORMERS, DISTRIBUTION TRANSFORMERS, SPECIAL DUTY TRANSFORMERS , CONVERTER DUTY TRANSFORMERS , COMPACT /UNITISED SUBSTATIONS, OIL FILLED TRANSFORMERS , DRY TYPE TRANSFORMERS, BIS AND BEE CERTIFIED ENERGY EFFICIENT TRANSFORMERS, CSP TRANSFORMERS, TRANSCON INDUSTRIES OPERATING SINCE 2003 AND HAVING CAPACITY UP TO 20 MVA 33/11 KV VOLTAGE CLASS. | Distribution Transformers, Power Transformers, Special Design Transformers, Lightning arrestors, Servo controlled Voltage Stabilizers. |
| 33 | FEDELE AUTOCORE PVT. LTD. | We FEDELE AUTOCORE PVT LTD PROVIDE SINGLE POINT SOLUTION FOR OUR ESTEEMED CUSTOMERS. FEDELE AUTOCORE PVT LTD LEADING MANUFACTURER OF A WIDE RANGE OF CNC MACHINED COMPONENT, AUTOMOBILE PARTS , FORGED MACHINE PARTS, CASTING, ALUMINIUM COMPONENTS, BRASS COMPONENTS, HYDRAULIC COMPONENTS, STAINLESS STEEL COMPONENTS. Situated in Mohali (Punjab, India). | CNC MACHINED COMPONENT, AUTOMOBILE PARTS , FORGED MACHINE PARTS, CASTING, ALUMINIUM COMPONENTS, BRASS COMPONENTS, HYDRAULIC COMPONENTS, STAINLESS STEEL COMPONENTS |

| | | | |
|----|--|---|---|
| 34 | RAGHU VAMSI MACHINE TOOLS PVT. LTD. | Raghu Vamsi Group is a Precision Manufacturing Company engaged in the manufacture of High Precision Parts and Assemblies specialised in a wide variety of metals concentrating more on Hard and Exotic Metals achieving tight tolerances. We have earned a lot of respect in the Precision manufacturing space in India, winning Best Vendor Awards from International OEMs with meticulous project management | CNC Machining, CAD/CAM Services, Process Engineering, Tool Design and Fabrication, 3rd party inspection service, Supply chain management. |
| 35 | KARNATAKA TURNED COMPONENTS PVT. LTD., | Started in 1961 - Catering to Automotive / Hydraulics / Railways / Food processing division. From precesion machined components to couplers , fabrication. Globally preferred supplier grade with all customers.First in small scale industry to implement SAP system for all processes. All kinds of special processes can be processed Heat treatment, plating,anodizing,electro polishing,lapping, grinding. | Sliding sleeve, G. Bush, Link, Threaded Ring, PDM Housing, Nozzle Nut, T. D. Piston, R T Body, Common Rail, Guide Bash. |
| 36 | C-TECH ENGINEERS PVT LTD | C-Tech Engineers Pvt. Ltd is company formed in 2001 by technocrats. Exporting to 15 countries, mainly Pins, Bushes and parts for construction machinery, C-Tech is having ISO9001 2015 company from ICS and Export house status. Having state of the art machinery, Heat treatment facility and already serving 20 OEM companies .Last 14 years we are getting export award from EEP. | Hardened Ground Pins, Precision Machine Components, Bosses (Soft Bushes), Sub Assemblies, Machined Components |
| 37 | KRISHNA ENTERPRISES | Krishna Enterprises has specialized in the manufacturing of complex and precision machined components for different industrial applications. Primarily focusing on components of complex geometry, the company has been able to enhance itself with its dedicated team to become a reliable supplier to O.E.M.s. we are pursuing AS9100D Standard Certification to enter into Aerospace Machining. | Precision Machined Components, Stainless Steel Fabrication, Zinc Flake Coating, Soft and Hard Anodizing, Induction Heat Treatment. |
| 38 | OM ENGINEERING | We are an Manufacturer & Suppliers of Customized Machined Castings, Machined Forgings and Bar-Stock Machined Components and Sub-Assemblies. Raw material could be Ferrous & Non-Ferrous Metals and Polymers. We are O.E. Suppliers of various sectors, i.e. Automotive, Dairy & Food Processing Machinery, Bottling & Packaging Machinery, etc. | Automobile Parts, tractor and Agriculture, Industrial Applications, Food Processing Machine Parts, pumps part, Valves, acculators and fittings. Customized parts. |
| 39 | AGGARWAL RUBBER INDUSTRIES | Rubber Moulded products, Metal Bonded Rubber Components, Cast Polyurethane Components, Polyurethane Wheels and Rollers, Silicone Moulded Products - Food Grade as well as general purposes. Sheet Metal stamped parts. Cnc machined parts. Plastic injection moulding parts. Plastic pallets crates and bins. Rubber Auto spares - bellows, bushings, mountings, grommets. | Rubber Components : PU Parts, Rubber Bushings, PU Pads, PU Hammers Molded Rubber Products : Extruded Rubber Products, Moulded Rubber Parts, Precision Rubber Parts PolyUrethane Roller manufacturer : Polyurethane Rollers, PU Rollers Rubber Seals manufacturer : Rubber Sheets, Cylinder Rubber Seals, Rubber Covers |
| 40 | SANJIVANI CASTING PVT. LTD. | We are Global suppliers of Investment Castings to all world Renowned Engineering and Process Manufacturing Companies and over 70% of our Castings are exported to cater to the requirements of our exclusive customers from USA, UK, France, Italy, Germany, Spain, including the Scandinavian countries Sweden, Finland, Denmark. We make around 150 types exotic alloys and have best quality systems. | Pumps and Valves |

| | | | |
|----|----------------------------------|--|---|
| 41 | SPIRO GEARS | SPIRO GEARS IS IN TO MANUFACTURING OF GEAR FROM PAST 25 YEARS , SITUATED IN BANGALORE AND PUNE WE MANUFACTURE, GEARS, PINIONS, GEARED SHAFTS, SPIRAL BEVEL GEARS FROM .5 MODULE TO 8 MODULE , DIN CLASS UPTO 5 | Worm Wheel And Pinion: Worm Wheel, Worm Pinion Spur Gears: Shaved Gears, Ground Gears Internal Gears And Splines: Internal Ring Gears, Internal Splines Power Tool Gears Gear Shaft: Shaved Gear Shafts, Ground Gear Shafts Bevel Gears: Straight Bevel Gear, Spiral Bevel Gears |
| 42 | METEXIM (SOURCING) PVT LTD | “ Automotive Components Manufacturing and the other - Engineering Products Sourcing and Manufacturing. In our Automotive Division we make gear hobbled and splined components such as shafts for electric motors and steering pinions. We have an integrated manufacturing line with blanking, gear hobbing, hardening and grinding. We supply Tier. | Automotive: Gears, Shafts, Pinions, Pinion shafts, spline roll shafts and Armature Shaft. Oil and gas: Ball Valves Body, Needle Valve body, Manifolds , Mono flanges, Single & Double Block & Bleed Valve Body. Hydraulic motor parts, Sensor assembly parts, Exhaust Pipe line Flanges, Material Handling Equipment Parts, Aluminium casting parts |
| 43 | SAMCO METALS AND ALLOYS PVT LTD | Samco Metals and Alloys Pvt. Ltd. is certified steel foundry for the manufacture and export of steel castings (machined and rough forms). Based in Kaniyambadi (south India), since 1977, we cater to industrial valve manufacturers and engineering OEMs (earth-moving, railway, transport). Our annual production capacity is about 5000 MT and we export 50-60% to Italy, Portugal, the USA, Germany, etc. | Industrial Valve Castings: Gate valves, Globe valves, Plug valves, Safety relief valves, Butterfly, valves, Swing check valves, Ball valves, Knife-gate valves Oil-field Equipment Castings: Yoke, Tee Body, Casing head, Tubing spool, Choke body, Slip bowl, Cap Transportation and Engineering Equipment Castings: Coupler body (railways) Structural castings for coal-handling equipments |
| 44 | LAMDA COMPONENTS PRIVATE LIMITED | Lamda Components is into manufacturing of Aluminum Die casting components and precision machining components. Located in Bangalore, India, Lamda Components has been operational since 1987 and supplies to OEMs such as Bosch, SEG, Pricol, Stanadyne, Stanley B&D, and Mahindra. Lamda also manufactures its own components such as LED street Lights, Solar Street lights and Off-road vehicle accessories. | Aluminum Housings: CONTROL HOUSING, DRIVE END FLANGE, DRIVE END SHIELD, GOVERNOR HOUSING, GOVERNOR COVER, GOVERNOR COVER, SLIP RING END COVER Off-road Vehicle Accessories: DIFF LOCKERS, FREE WHEEL HUBS, HYDRAULIC WINCH, PORTAL AXLES LED Lights: LED STREET LIGHT – 20W, LED STREET LIGHT – 40W, LED STREET LIGHT – 100W, LED STREET LIGHT – 150W, LED STREET LIGHT – 80W Other Specialized Products & Parts : ALCO PARTS, CONTROL ROD, DOOR CLOSERS, EXPORT PRODUCTS, K-TYPE CONTROL RODS, LIFTING BRACKET, MULTI CYLINDER CONTROL ROD, RETAINING PINS, ROLLER RINGS, SLIDE ROLLERS, SPRING SEATS |
| 45 | TOOLING TEMPLE | We are manufactures of precision plastic injection Moulds and Dies. We have in house facility for Design, Manufacture and production of plastic injection moulds and components. We have experience in all engineering polymers and complex moulds. Our customers are from all fields from automobile, defence, aerospace, medical, textile, and all other fields where they need plastic injection moulded comp | Plastic Injection Moulds, Plastic Injection Moulded Components, Custom Moulded Parts, Aluminium Die Cast Components, Design Services, CAM Programming |
| 46 | E. R. AUTOMOTIVES LTD. | ER Auto Group is a fully integrated auto components manufacturer. Our company has been thriving to deliver quality products as per OEM requirements of precision turned, hard and ground auto components, hydraulic components, press parts and sub-assemblies. Cold / Hot forging and Casting (ferrous and non-ferrous) is outsourced and then machined in-house. | Machining: CNC Turning Centers, CNC Turn Mill Center, CNC Vertical Machining Center (VMC), Mono Spindle Tornos Sliding Heads, Copy Turnings & Lathes, Millings M/C, Drillings M/C, Tappings, Gun Drilling, Polygon Milling Center, Automats, Multi Spindle Mori Say 6/32 Grindings: Cylindrical Grinder, Centreless Grinder, Surface Grinder, Profile Centreless Grinder Gear Cutting: Gear Hobbings, Gear Shavings, Broaching Machines, Gear Shapers, Gear Swagings, Gear Chamfering And Debarring, Shot Blastings, Gear Roller Tester Weldings: Projection Weldings, Mig Welding, Tig Welding, Spot Weldings, Arc Welding, Brazing Stampings: Power Press 250T, 100T, 75T, 50T, 30T, 20T, 10T, 5THand Press, Power Sheering (UPTO 4MM SHEET SHEERING CAPACITY) |

| | | | |
|----|---|--|--|
| 47 | VELMURUGAN HEAVY ENGG. INDS (P) LTD. | VELMURUGAN HEAVY ENGG INDS P LTD IS AMONG THE LEADING MANUFACTURING OF EQUIPMENT AND ASSEMBLIES USED IN STEEL&CEMENT PLANT, WIND TURBINES, MINERAL HANDLING, RUBBER &PLASTIC PROCESSING AND CONSTRUCTIONS, PRESSURE PARTS AND RELATED EQUIPMENT, GENERAL FABRICATION AND MACHINING WORKS. | THERMAL POWER GENERATION EQUIPMENTS AND COMPONENTS, HEAT RECOVERY SYSTEM, OIL FIELD EQUIPMENTS AND COMPONENTS, WIND MILL TOWERS OF ALL TYPES, WIND MILL TOWER'S ACCESSORIES, STEEL PLANT EQUIPMENTS, CEMENT PLANT EQUIPMENTS, GRANITE PLANT EQUIPMENTS, PLASTIC PROCESSING/MOULDING MACHINERIES AND COMPONENTS, Earth Moving Equipment Components, Tyre Curing Equipments, Paper Mill Components, General Engineering Industry Equipments, Parts etc. to Customer needs. |
| 48 | BEARING MANUFACTURING INDIA | BMI is an ISO 9001 manufacturer and exporter to more than 45 countries and we are contract manufacturing for few of the largest manufacturers of bearings and working with distributors worldwide. Our Products details are Steel and brass cage spherical roller bearings, Taper Rollers Bearings and Crowned Taper Rollers Bearing, Spherical Thrust Bearings and Cylindrical Roller Bearings Etc. | Spherical Roller Bearings, Special BearingsSealed Spherical Roller Bearings, Mounted Spherical, Roller Bearings, Cylindrical Roller Bearings, Single Row Full Complement Cylindrical Roller Bearings, Taper Roller Bearings (Metric & Inch), Flexible Roller Bearings, Imperial Bearings Single Row Angular Contact Ball Bearings,Spherical Roller Thrust Bearings, Double Row Angular Contact Ball Bearings, Double Row Full Complement Cylindrical Roller Bearings, Pillow Block Bearings, Brass Cage, Rollers, Thrust Ball Bearings, Needle Roller Bearings, Deep Groove Ball Bearings, Four Point Contact Ball Bearings, Double Row Self Aligning Ball Bearings, Combined Bearings, Tension Leveller Bearing |
| 49 | SAISIDHA SUGAR EQUIPMENTS & ENGINEERING CO. PVT. LTD. | It is an Indian heavy engineering company that is based in Pune, and has three manufacturing facilities in Pune, Solapur & Kolhapur The company is empanelled with the EXIM Bank of India as an EPC (Engineering, Procurement & Construction) manufacturer for complete Sugar Plants, Distilleries, Refineries & Co-generation Plants, Being an original equipment manufacturer, it provides turnkey solutions | Mill House Equipments: Cane Chopper, Swing Type Cane Fibrizor, Mill with DC Drives, Rake Elevator Cane Handling Equipments: Mill House Cranes, Cane Unloader, Hilo Unloader, Feeder Tables Sulphitation Equipments: Continuous Juice Sulphiters, Continuous Syrup Sulphiters, Continuous Sulphur Burners Ultra Modern or Energy Efficient Boiling House: Vapour Cells Evaporators, Juice Heaters Vertical Crystallizers (Mono & Twin Type), Long Tube Rising Film Evaporators (Semikesteners) Latest Technology: Water Jet Air Extractor, Flash Water Heat Recovery System, Rope Coupling SS Polybaffles Catchalls, Boiling House Equipments, Reboiler System, Radial Flow Evaporator |
| 50 | SAI SURFACE COATING TECHNOLOGIES | M/S. Sai Surface Coating Technologies (SSCT) specializes in surface modification techniques and precision machining technologies. Based at Hyderabad (INDIA), we have diverse surface modification technologies spanning Detonation spray process, High velocity oxy-fuel (HVOF) process, Plasma spray, Flame spray, Wire arc, Spray and Fuse processes, Gas Nitriding, Laser Cladding and Hard facings etc, | Thermal Spray Coatings (Detonation Gun, HVOF, Plasma, Wire arc, Flame Spray and Spray & Fuse processes), Gas Nitriding, Laser Cladding, hard facing, manufacturing and Sub Assemblies coupled with unparalleled surface engineering |
| 51 | GUJARAT METAL CAST INDUSTRIES PRIVATE LIMITED | GMC has 40+ years of foundry experience and successfully running Lost-foam Foundry and producing castings with tight tolerances and very good surface finish. GMC has capability to pour ferrous (including SS) and Non- Ferrous metals in the existing set-up and can provide end to end solution for casting and machining solutions. GMC is exporting to North America and Middle East | Lost Foam Foundry PeciCast Foundry CMM |
| 52 | SAVVAK ENGINEERING INNOVATIONS PVT. LTD. | We are manufacturers of precision sheet metal components, fabricating since 1994. We have complete inhouse manufacturing unit including laser cutting, CNC turret punching and bending, welding, riveting, and powder coating. We specialise in making all sorts of components and assemblies using sheet metal including galvanised mild steel, stainless steel, aluminium, copper, metal wires and pipes. | Telecom, Power, Fire Doors, Prefab homes, Facades and structure |

| | | | |
|----|---|--|--|
| 53 | GLODESI TECHNOLOGIES | Glodesi Technologies is a global Engineering and sourcing company based in India and is a one stop shop for global OEMs in Aerospace, Defense and Medical Equipment sectors for precision mechanical parts, products and assemblies for critical Aerospace and Defense applications. Being an AS 9100 certified company, Glodesi has in a short span of time carved a reputation for quality / cost efficiency | Chromic Acid, Tartaric Acid & Sulphuric Acid- Anodizing on Al Alloys Chemical Conversion / Alodine Coating Passivation for CRES Steel Fluorescent Penetrant Inspection, Magnetic Particle Inspection Chrome Plating, Tin Plating, Zinc Nickel plating Primer Application, Semi-Gloss and High-Gloss Paint Application Heat Treatment, Vacuum heat treatment, Solutionizing, Age Hardening, Atmospheric Heat Treatment, Normalizing, Stress Relieving, Tempering and more |
| 54 | LEECOS MANUFACTURING TECHNOLOGY (INDIA) PVT. LTD. | LEECOS IS AN INDIAN ENGINEERING COMPONENTS AND SUB ASSEMBLY MANUFACTURING COMPANY FOUNDED IN 2003. WE HAVE EXPERTISE IN VARIOUS ENGINEERING PROCESSES AND LOW COST MANUFACTURING. ALUMINIUM & STAINLESS STEEL CNC COMPONENTS AND ASSEMBLIES MADE OUT OF CASTINGS, SHEET METAL, PLASTIC, RUBBER ETC..ARE THE MAJOR PARTS. WE ALSO OFFER ENGINEERING SERVICES USING SOLID-WORKS AND THIRD PARTY INSPECTION. | Casting: Aluminium Die Casting / Pressure Die Casting / Investment Casting / Sand Casting Forging: All types of Closed & Open Hot Forgings Sheet Metal Fabrication: Heavy & Light Fabrication CNC Laser Cutting, CNC Bending, CNC Turret Punching, CNC Shearing, Tig & Mig Welding |
| 55 | GENAU ENGINEERS | Genau Engineers passionately provides precise machined components to worldwide OEMs from various industries. We specialize in machining of exotic materials like Titanium, Stainless steels and alloys of aluminium. We commit high accuracies and on time deliveries by using world class machines and processes. We provide end to end solutions for machining from raw material to surface treatments. | Vending Machine Controller: Condom Vending Machine Controller, Premix Based Vending Machine Controllers, Integrated Snacks Vending Machine Controller, Smart Card Based Vending Machine Controller, Bean 2 Cup Fresh Brew Coffee Machine Controller. Solar Inverters |
| 56 | PULSARS | PULSARS specializes in design and manufacture control automation products for OE applications. Our customers will be manufacturers of appliances, vending machines, mechanical and electrical instruments and machines. We can develop intelligent controls including displays, keypads, touchscreen, communication interfaces (IoT) etc.. We design to comply with relevant standards such as UL, CE etc.. | HIGH PRECISION MACHINING, ADDITIVE MANUFACTURING, INSPECTION FACILITIES AND SOFTWARES, |
| 57 | KOTECHA STEEL FORGE AND CAST INDUSTRIES PVT. LTD. | We are a manufacturing engineering company, involved in developing & exporting to OEM; Casting, SG Iron Casting, forging and fabricated industrial components & Assly. items through our state of art automatic Disamatic foundry, modern CNC machine shop and robotic welding cell. | Casting, SG Iron Casting, forging and fabricated industrial components & Assly. items through our state of art automatic Disamatic foundry, modern CNC machine shop and robotic welding cell |
| 58 | KRAMSKI STAMPING AND MOLDING INDIA PVT LTD | KRAMSKI India as a 100% subsidiary of KRAMSKI Germany established in 2008. The strategic location of this R&D certified subsidiary in Vellore ensures local availability for technical support on stamping and injection molded parts. We have in-depth expertise and experience in design and manufacture of high speed stamping components and high performance tooling for the same. | Engineering Prototypes, Hybrid technology, Stamping technology, Special processes, Single parts manufacturing |
| 59 | RADHIKA EQUIPMENTS | We are a notable manufacturer, exporter, and supplier of End caps like metal filter end caps, plastic end caps, etc., Filter bags like nylon liquid filter bags, non woven filter bags, homopolymer acrylic filter bags, etc., Metal venturis, Metal cones, Machining components, filter cover assembly and Corrugated boxes | End Caps: Metal End Caps, Hot Fit Snap Type End Caps, Lock Type Flange End Caps, Open & Closed Din Type End Caps, Oval Elliptical & Grooved End Caps, Rectangular End Caps Plastic End Caps Aluminium End Caps Filter Bags: PPS Filter Bag, Nylon Liquid Filter Bag, Polyester Filter Bag, Dust Collector Filter Bag, PTFE Filter Bag Machining Components Venturies & Cages Metal Cones Filter Cover Assembly Corrugated Boxes Eco-Friendly Recycled Paper Box Corrugated Industrial Box: Triple Wall Corrugated 7 Ply Box, Die Cut Corrugated Box, Corrugated Pallets |

| | | | |
|----|---|--|---|
| 60 | YAMARI INDIA TEMPERATURE SENSOR PVT LTD | 6 decades old Japanese origin industrial temperature sensor manufacturer in India with a wide product range in RTD, THERMOCOUPLE, THERMOWELL & FLUSH RINGS. | Thermocouples, Resistance Temperature Detectors, Thermowells, Accessories for Temperature Sensors, Microheaters, Other Products. |
| 61 | JSG INNOTECH PVT LTD | Highly respected in the Automotive Industry as People and Organization of Integrity, JSG has been serving global customers for the last 50 years. Founded on the value and strength of Galio Enterprises, which has been the front runner in designing, developing, manufacturing and distributing Garnishing, Adornment, Safety Enhancement and Upgrade accessories for automobiles in India. JSG is the flagsh | CAD & CAE, DIE AND MOULD, PLASTIC PROCESSING: Injection Moulding, Blow Moulding, Resin Pouring Multicolour, Gravity Moulding, Vacuum Forming, Sheet Extrusion and Compounding, SHEET STAMPING AND CUTTING, SURFACE FINISHING: Chrome Plating on Plastics, Painting, Powder Coating, PRINTING: Kromex & Doring, ELECTRONICS & ELECTRICALS, PERFUME, RAW MATERIALS: PVC, TPV TPE TPO. |
| 62 | AMBICA ENTERPRISES | HeatBird, one of the leading trusted for manufacturing mica,ceramic,water immersion,oil immersion,bobbin heater in Vadodara India. 1 Immersion Heaters (Water, Oil, Pharmaceuticals) 2 Tubular/ Air Heaters 3 Cartridge Heaters (Dies & Moulds) 4 Bobbin Heaters (Air & Liquid Heating) 5 Thermocouples (Sensing Temperature) | Ceramic Band Heater, Cartridge Heater, Strip/Strip Finned Heater, Oil Immersion Heaters/Alkaline/Chemical Heater/Lead Heater/Bobbin Heater, Coil Heater, Tubular Heater, Casting Heater, Water Immersion Heater, MICA Band Heater. |
| 63 | ABHI METALS | Abhi Metals is manufacturer & exporters of Fasteners & Components made from ferrous & non-ferrous since 1979. ISO 9001 : 2015 & IATF 16949 : 2016 certified company, provide total solution from Brass, Copper, Bronze, Tellurium Copper, Steel, Invar, Stainless Steel, Aluminum, Pure Tin, Titanium, Beryllium Copper, Moly & Zinc Die Casting, We serves various Industrial sectors . | Automobile Parts, Machine Screws Nuts & Washer, Sems, Hex Square & Flange Bolt, Steel Components, Brass Components, Meter Parts, Pip & Serrated Screw, Customized Products, Knurling Inserts, Self Tapping Screws, Furniture Screws, Stud & Grub Screws, Trilobular Screw, Hooks & Rivets, Special Parts, Knurling Head Screw, Spacers, Hardware, Silicon Bronze Parts, Phosphorous Bronze Parts, Washer Base Screw, Copper Parts, Tellurium Copper Parts, Aluminum Parts, Aluminum Bornze Parts, Titanium Fasteners, Invar parts, Molybdenum Parts, Monel, Zinc Die Casting parts, Sanitary Parts. |
| 64 | KARUNYA HEAVY ENGINEERING PVT LTD | Karunya Heavy Engineering Pvt Ltd is specialised in custom built leakage proof moulding machines used in Rubber, FRP, Plywood, Sheet metal industry, | Hydraulic Cylinders, Hydraulic Powerpack, Hydraulic Presses Modification, Hydraulic Special Purpose Machine, Hydraulic Presses Modification, Hydraulic Cylinder Services. |
| 65 | SPAN AUTOTECH PVT LTD | Manufacturer of sheet metal and fabrication components for eg engine mounting ,Truck and Tractor links , tractor parts , Jcb cabin parts, door lock parts , filter components etc. The organization is well established with inhouse press shop, tool room ,fabrication shop and Standard Room for Testing. The organization has other 3 plants for laser cutting, machining and Ed coating(paint shop). | Manufacturer of sheet metal and fabrication components for eg engine mounting ,Truck and Tractor links , tractor parts , Jcb cabin parts, door lock parts , filter components etc. The organization is well established with inhouse press shop, tool room ,fabrication shop and Standard Room for Testing. The organization has other 3 plants for laser cutting, machining and Ed coating(paint shop). |
| 66 | TRIMETRIC TECHNOLOGY | Trimetric Technology is a mechanical service job catering and component manufacturing firm. It was established in 2008. We are engaged companies like Automobile, Aerospace , Medical and Defense. We are well equipped to undertake production and fabrication works based on customers requirements | Jigs, Fixture, Component, Components |
| 67 | KNOTEN ENGINEERING LLP | Knoten Engineering specializes in manufacturing of Aluminium Gravity Die Casting machined parts. Our mission is to supply high quality and high performance of aluminum gravity die castings to our growing list of customers. Knoten has state of the art foundry near Ahmedabad, State- Gujarat, Country- India and we aim to meet and exceed the industry's demand. | Power Generation and Transmission, Oil and Gas, Automobile and Compressor, Textile and Plastic. |

| | | | |
|----|-------------------------------------|--|---|
| 68 | CNC TECHNICS PVT LTD | We manufacture high performance composite poles used in lighting and communication of sizes 9`to 45` | Filament Winding Machines: 2 Axes Winder, 3 Axes Winder, 4 Axes Winder, 5 & 6 Axes Winder, Lab Winder. Accessories: Bookshelf Creel Stands, External Unwinding Creels, Resin baths with temperature controls, Mandrel rotating and Curing stations, Steel Mandrels, Hydraulic Extractors, Hydrotesters, Fully Automated Resin Dispensers. Attachments: Tension Control Systems, Mechanical Tensioning Systems, Electrical Tension Control System, Electronic Tension control Systems, Tape Winding Attachments, Sand Filling Stations. CADFIL. |
| 69 | SRINI LINK | SRiNi LINK produces one of the best cables & wires since 02/04/1997 for its existing customers & market, by meeting their standards or customized requirement with a various product range. | Infrastructure & Industrial Segment Products: BUILDING WIRE, PANEL WIRE, FLEXIBLE MULTICORE WIRE, SUBMERSIBLE CABLE, ARMoured & UN-ARMoured, TELEPHONE CABLES, TELEPHONE CABLE, UTP LAN CABLES (CAT 5, CAT 5E, CAT 6). Appliances Segment Products (White Goods Cables): Power Cords, UL 758, Solar Cable. Automobile Segment Products: Automobile & Battery Cables, TPU Cable, PVC Sleeves. Special Segment Products. |
| 70 | AADHIRA CNC PRODUCT PRIVATE LIMITED | Aadhira CNC Product Private Limited is an ISO 9001:2015 certified manufacturing company with 20 years of experience. We are specialized in manufacturing high precision CNC Machined and Turned components and export world wide. We serve our customers from various industries such as Aerospace, Automobiles, Railways, Earth-moving, Textiles, Oil & Gas, Valves & Pumps, etc. | Machining Of CNC Precision Parts, Auto Components, Valves, Shafts. |
| 71 | FABTEX ENGINEERING WORKS | We have been into manufacture of Hydraulic Accessories and parts for the past 20 years which is our major produce from Unit 1. Dedicated infrastructure which allows all the manufacturing process to take place in our factory. Also we have own dedicated sheet metal processing machines at Unit 2, which includes Laser Cutting, Plasma Cutting, Gas Cutting, Shearing, Bending and Rolling machine. | BALING PRESS: Automatic Cotton/Waste Cotton Baling Press, Automatic Horizontal Baling Press, Hydraulic Baling Press (Cair Fiber), Paper Baling Press, Scrap Baling Press. SHREDDER: E-Waste Shredder, Tire Shredder. MATERIAL HANDLING EQUIPMENTS: Goods Lift/Industrial Lift, Machine Moving Skates, Manual HandPallet Truck, Semi Electric Stacker. TEXTILE EQUIPMENTS: Auto Reeling Machine. |
| 72 | KANNAN TOOLS & DIES | We Kannan Tools and Dies is an ISO9001-2015 certified and one of the leading manufacturer and Exporter in Coimbatore, Manufacturing of Precision Machined Parts and Sub assemblies in ferrous, high alloys like titanium alloys , aluminum and its alloys and non-ferrous material from bar stock, forged, cast and fabricated, for the industries like Aerospace and Heavy Engineering , | Aerospace components and Subassemblies, components for earthmoving equipments, components for nuclear energy, Gearbox components, Industrial pumps and parts, Textile Parts, Valves and valves components, Automobiles Components, Components for hydraulic, Components for Railways, Defiance components and subassemblies, Special components by reverse engineering, Tools and Dies, Wind Turbine parts. |
| 73 | SKV METAL ROOFINGS | S K V Metal Roofings are Leading Pre Engineered Structural Builder (PEB) & Roof Sheet Manufacturer in South India. We Do Undertake Commercial & Educational Buildings especially. We are also one of the Registered Exporter. We are having skilled and experienced workforce with all necessary infrastructures for Planning, Designing, Manufacturing and Erection / Installation etc., | TILE PROFILE, SEALANT, SCREW, BUILDING ACCESSORIES, SKY LIGHT, ROOFING SHEETS, ANCHOR BOLTS 3, ANCHOR BOLTS 2, ANCHOR BOLTS 1, STRUCTURAL STEEL FABRICATION, Insulated Roof Panels, Curved Roof Systems. |
| 74 | ORSON TECHNOCAST PRIVATE LIMITED | We are supplying investment casting components with machining, For more information about our services visit "www.orsontechnocast.com" | Valve, Pumps, Automobile, General Engineering, Machined Components, Other. |

| | | | |
|----|------------------------------------|---|---|
| 75 | KUMAR METAL CO. | We are the top manufacturers of Water Fountain Nozzles. | Jet Nozzles, Sprinkler, Ball Joint, Brass Spray Nozzles, Mistig Nozzle, Adjustable Nozzle. |
| 76 | AARCO ENGINEERING PROJECTS PVT LTD | We custom design and manufacture Centrifugal Blowers, Axial Fans, Bag Filter Dust Collectors, Cyclone Dust Collectors, Cartridge Dust Collectors, Down Draft Tables, Ducting and Chimney Stack. We do contract and subcontract manufacturing and custom manufacturing as per end user designs and drawings . We can ship globally easy to assemble parts. W have 25000 sqft factory skilled workers & engineers | Air Pollution Control Equipment: Bag Filters Dust Collectors, Cartridge Dust Collectors, Cyclone Dust Collectors, Unitary Dust Collector, Wet Scrubbers / Venturi Scrubber, Dry Scrubbers/ ESP, Downward Draft Tables, Paint Booth Blowers / Fans: Centrifugal Blowers, Axial Fan, Dust Collection Blowers, PP FRP Blowers, EC Plug Fans, High Pressure Fans, Basement Ventilation Jet Fans, Custom Fans, Roof Extractor, Engine Test Bed Blowers. HVAC: Air Handling Units, Air Washers Units, Evaporative Cooling Units, Indirect Direct 2 Stage Evaporative Coolers, Clean Room |
| 77 | SUNDARAM FORGINGS | Sundaram Forgings brings in the world of precision and perfection forgings. We are one of the leading manufacturers of high quality ferrous & non-ferrous forgings since 1976. We haven proven capabilities in designing, forging, machining and testing of critical components for a wide range of industries. Quality and customer service has remained our central core value. | Automotive Forgings: Forged Hub, Ball Straddle Forging, Forged Lever, Hot Forging parts, Fork Yoke, Transmission Part, Kicker Shaft, Cam Steady Plate. Steel Forgings: Turnbuckle, Bull Pin Steel Forging, Forged Ball Valve Body, Rocker Arm, Forging Flange. Connectors: Steel Forged Connectors, Flange Connectors, Union Connectors, Brass Forged Connectors. Brass forgings: Brass Nut, Non Ferrous Forging, Rotary Distributors, Battery Terminal. Tractor Forgings: Tractor Forgings, Cap & Spacer Radius Ball, Arm Spindle. Brass Valves: Compressor Shut Off Valve, Capacity Control Valve, Copper Forgings. |
| 78 | SERVO HYDRAULICS PRIVATE LIMITED | Established in 1993, Servo Hydraulic has grown to be one of the Premier Hydraulic Test bench manufacturers in the world. A sophisticated and technologically sound facility has enabled SHS to engineer and manufacture test benches which meet the most stringent quality demands of our clients. We are the pioneers in Valve Repairing, Servicing and Testing Machine manufacturers in the World. | Horizontal Valve Test Bench: HT-SSF-150 Horizontal Valve Test Bench, HT-TSF-850 Horizontal Test Bench, HT-TSF-1200 Horizontal Valve Test Bench, HT-SSF-70 Horizontal Valve Test Bench, HT-TSF-250 Horizontal Valve Test Bench. Vertical Valve Test Bench: VT-FTS-250 Vertical Valve Test Bench, VT-FSW-150 Vertical Test Bench, VT-FV-250 Vertical Valve Test Bench, VT-FSW-60 Vertical Valve Test Stand. Multi Station Valve Test Bench: MVT6-20 Multi-Station Valve Test Bench, MVT4-20 Multi-Station Test Bench, MVT4-25 Multi-Station Valve Test Bench. Safety Valve Test Bench: RTB-75 Safety Valve Test Bench, RTB-25 Safety Valve Test Bench. Test Skid: High Pressure Test Skid. Control Valve Test Bench: CVTB-85 Tilting Valve Test Machine. Test Stand: Vertical Valve Test Stand. |
| 79 | NTB INTERNATIONAL PVT. LTD. | NTB Hitech ceramics is a pioneer in manufacture the following products: *Tungsten carbide tipped Stems and Tungsten carbide lined seats for Adjustable chokes *Tungsten carbide / ceramic lined flow beans for positive fixed orifice chokes. * Tungsten carbide valve seats and balls, Flow Cages & Plugs , Stabilizer Discs, and Flow Trims. | Oil & Gas Division: SEATS, STEMS, CHOKE BEANS, TC PLUGS & CAGES, TC CONE, DISC & TC SPECIAL PRODUCTS. Belting Division: Flat Belt-Nytran, Conveyor Belt-Tracon, Plastic Modular Belts, Timing Belts & Pulleys, Hi-Temp Felt Belts, Special Belts Tools & Accessories. Ceramic Division: Seal Faces, Wear parts, Wire Drawing Parts, Other Products, Prototype/Customized. Conveyor Division: Belt Conveyor, Roller Conveyors, Chain Conveyors, Screw Conveyor, Wire Mesh Conveyors, Slat Conveyor, Special Purpose Machine, Truck loading conveyor. Diamond & CBN Wheel Division: NTB DiaCer Diamond and CeraCBN Grinding wheels. |

| | | | |
|----|--------------------------------------|---|--|
| 80 | H.K. INTERNATIONAL | hk international is house of all kind of fasteners . since 1977 we manufacturing and supply all over india . our range includes nuts , bolts ,threaded bar and washers | Wooden Grinder, Herb Grinder, Metal Smoking Grinders, Metal Smoking Grinder, Wood Tobacco Grinder, Metal Grinder, Tobacco Grinder, Aluminum Herb Spice Metal Grinders. |
| 81 | CHAK RADER FARM EQUIPMENTS PVT. LTD. | CHAK RADER Farm Equipment Pvt Ltd. has been in manufacturing of Specialized Engineered Products, Injection Moulded Plastic Products and Plastic Extrusion Pipes and Profiles for target specific Poultry Industry since 1996. It is renowned its commitment to highest quality product in the industry and integrity. CHAKRA is now expanding to new markets and looking for buyers of Injection Moulding etc | Poultry cages: Chick cages, Grower Cages, Layer Cages, Modular H frame cages. Weld Mesh, Poultry watering System: CHAKRA pipes, Water nipples, Water distribution system, Dosing Systems. Feed Management: Feeders, Feeding System, Feed filling system, Feed Storage SILO, Feed Batching System. Floor rearing: Floor rearing pan Feeders, Floor rearing nipple drinkers. Cooling Systems: Air Circulating fans, Foggers and Sprinklers. Heating Systems: Gas Brooders. Fencing: Chain link Fencing. Egg Handling: Egg Collection in cages, Egg trays(hatchery), egg trays(commercial), egg crates. House equipment: husbandry fans, cooling pad systems. Accessories: debeaker, cage mats, roof ventilators. |
| 82 | MB METALLIC BELLOWS PVT. LTD. | We are a leading Indian manufacturer of Bellows, Expansion Joints (Metallic) and Non-Metallic (Fabric & Rubber), Metal Hoses, Compensators and Pressure Vessels, registered with National Board of Boilers and ASME Code Stamped to "U" Designation & PED certified Organization. We manufacture products from 15NB to 9000NB for High Pressure to Cryogenic application. We also export our products. | Tied lateral expansion bellow between turbine and condensor, 6 mtr Bellow, Expansion Bellow For Tuyere Stock, Universal Bellow, Gimbal Bellow, Pressure Balanced Bellows, Reinforced Bellow, Rectangular Bellows. |
| 83 | SRI SARAVANAA FABS | Tools Trolleys, Assembly Trolleys, Maintenance Trolleys, Work Benches,Storage Racks,Racking Systems,IP67 Stainless Steel Panels,Enclosures, Panel Board Boxes, Sheet Metal Fabricated Parts and Sub Assy | Material Handling Equipments, Rice Mill Spares, Textile Spares, Electrical Panels, SS Enclosures, SS Panels & Assemblies, Wind Mill Enclosures, Air Dryer & Chiller Enclosures. |
| 84 | NEOLITE ZKW LIGHTINGS PVT. LTD. | NEOKRAFT (www.neokraft.in) is a part of NEOLITE Group & manufacturers of Home Lightings and Home Furnishing Articles for the Global market. The other division of NEOLITE Group is NEOLITE ZKW Lightings Pvt.Ltd. (www.neolitezkw.com) Lightings, which is engaged into manufacturing of Automobile Lightings. | LIGHTING PRODUCTS: Table Lamps, Floor Lamps, Wall Lamps, Ceiling Lamps, Industrial LED, Decorative LED, Retail Lighting, Outdoor Lighting. HOME FURNISHINGS: Garden Decor, Kitchen Decor, Bath Accessories, Living Decor, Accent Furniture, Storage Utility, Lighting Fixtures, Table Top Accessories. |
| 85 | CLASSIC ENGINEERING SYSTEM | We are sheet metal manufacturing with Laser Cutting, Sheet Punching, Bending, Welding, | FURNITURE: RECEPTION TABLE, CLERKS TABLE, EXECUTIVE TABLES, MD TABLES, CONFERENCE TABLE, MODULAR FURNITURE, STORAGE CUPBOARDS, MULTI TYPE OF CHAIRS. INSTITUTIONAL FURNITURE: STUDENT CHAIRS, STUDENTS BENCH & DESK, COMPUTER TABLES, LABORATORY TABLES. HOSTEL FURNITURE: SINGLE COT, DOUBLE DECK COT, STORAGE CUPBOARDS, STORAGE RACKS. KITCHEN FURNITURE: CAFFTERIA TABLES, INSTITUTIONAL, CANTEEN TABLES, INDUSTRIAL KITCHEN TABLES, TEXTILE MILL KITCHEN TABLES, GARMENT FACTORY KITCHEN TABLES, HOSTEL & RESTAURENT TABLES. GARMENT FACTORY FURNITURE: LINE PRODUCTION TABLES, CUTTING TABLES, CHEKING TABLES, PACKING TABLES, LINE INSPECTION TABLES, MULTI TYPE TROLLEYS, OPERATOR BENCH CHAIRS, PALLET, HEAVY STORAGE RACKS. HOSPITAL FURNITURE: WARDCARE BED, WARDCARE-FIXED HEIGHT, STRETCHER TROLLEY, HEALTH CHECK, INSTRUMENT TROLLEY, BED SIDE LOCKER, DRESSING TROLLEY, EMERGENCY DRUG TROLLEY. INDUSTRIAL FURNITURE: customised furniture like special design racks,Trolleys, cupboard, storage racks,tool racks. |

| 88 | WINTRACK ENGINEERING PRIVATE LIMITED | <p>Our Company is involved in manufacturing of ferrous and non-ferrous precision machined components, assemblies and sub-assemblies. The manufacturing facility is spread over 45000sqft with setup to meet both short and long production cycles. We cater to Automotive, Power Tools, Oil & Gas, Electrical, Defence and General Engineering Sectors. The Company is ISO 9001:2008 and IATF 19646:2016 certified.</p> | <p>Banjors, Precision Machined Parts, VMC MILLED PARTS and Inconnector.</p> |
| 89 | VINOD IMPEX | <p>OEM & ODM SHEET METAL PARTS AS PER DRAWING UL LISTED GROUNDING, BONDING, WIRE CONNECTORS, LUGS, SPLICES, SLEEVES RANGE. EARTHING & LIGHTING PROTECTION CASTING & PRECISION TURNED COMPONENTS AS PER DRAWING</p> | <p>Grounding Accesories, Busbar 13 Module for Power supply, Earthing Accesories, Electrical Crimping Lugs Ferrules, SS Cable Tie, Terminal Connector Link Range, Hose Pipe Clamp.</p> |
| 90 | AG ELECTRO SERVICES | <p>We introduce ourselves as AG Electric Motors & would like to serve you our Specialized experience of 40 + years in Design, Manufacturing as well the constant improvements made in the field of Electric Motors. We are being well regarded as a quality supplier with CSA International Approved Factory and ISO 9001:2015 and CE Certified We are expert in Electric Motors, Door Motors, E-Vehicle</p> | <p>Customize Stampings, Cooler Fan Motor, Dual Speed High Torque Motor, Fan Motor, Fuel Circulating Pump, Universal Vibrator Motor, Tape Winder CAM Motor, Electric Motor For Hazardous Loca, Tape Winder Motors, Agitator Motor, High Torque, Two Speed, Tight Return Door Motor, Retiring Cam Motor, High Torque, Two Speed, High Torque Door Motor.</p> |
