*An exclusive event on Aghcem & Ag Bio and Allied chemicals
Event with unique opportunity to connect with Agribusiness
for knowledge sharing and B2B.*

www.pmfaiindia.org

ICSCE is an exclusive agri input trade show driving Business Opportunities for all AG Chem & AG BIO (Bio pesticides, Bio stimulants, Bio Fertilizers) companies for knowledge sharing and B2B organized from 1997.

The ICSCE is a platform for all the stakeholders from across the world to gather and to discuss new developments in the global agrochemical industry and work together to safeguard global food security and crop produce. Network with more than 800 delegates with 100 booths, 20 top successful Indian companies from Ag Chem and Ag Bio Industry participates in ICSCE.

The ICSCE is designed to interact for future businesses, for procurement of agri inputs and learn from the knowledge oriented plenary sessions and developments in Ag Chem & AG Bio industry.

It provides gateway to connect with manufacturers & exporters, supply chain experts, allied industry, packaging, technocrats and to learn about the agri input drivers from this regions.
