Press Release

Electronic Visa

In 2015, the Government of India as special gesture to the Ecuadorian nationals to promote people to people contacts and tourism announced electronic visa (e-visa).

The e-Visa can be availed to visit India for recreation, sightseeing, casual visit to meet friends or relatives, short duration medical treatment or casual business visit.

The validity of an e-Visa is for 60 days with double entry for e-Tourist Visa & e-Business Visa and triple entry for e-Medical Visa.

The Ecuadorian nationals desirous of visiting India may apply at <https://indianvisaonline.gov.in/evisa/> and electronic travel authorization (ETA) is issued via email. The applicant must obtain ETA before travel and should carry its printed copy.

The e-Visa fee @ US\$ 50 is more economical as compared to obtaining the visa at the embassy i.e. US\$ 103 for tourist and US\$ 243 for business visa.

In case of any clarification on the e-Visa, the applicant may call 24*7 e-Visa support center at +91-11-24300666 or send email to indiatvoa@gov.in.

The payment related issues may be sorted with SBI ePay phone no. +91-1800221401 (10.30 a.m. to 6.30 p.m.) Indian standard time (IST) and Axis phone no. +91-22-7131-2125/2126 (09.30 a.m. to 7.00 p.-m. (IST).

The embassy would prefer that the Ecuadorian nationals avail of this facility to avoid inconvenience and save on visa fees.
